Coral Reef Conservation Program Update

Looking to the Future

By Chantal Collier, Manager
FDEP Coral Reef Conservation Program

As we enter 2010, the Florida Department of Environmental Protection (FDEP) Coral Reef Conservation Program (CRCP) is looking forward to the future of coral reef conservation and management in Florida. The past year marked the fifth anniversary of the FDEP CRCP and, noting this milestone, CRCP staff took the opportunity to reflect on the origins of the program, challenges, accomplishments and directions in which CRCP has grown.

When the FDEP CRCP was established in 2004, it was tasked with three primary directives:

- facilitate completion of...
